OFFICE OF The Superintendent,
Government Printing, Bangalore.

Date 8th December 1943.

The Additional Secretary to Government,

Bangalore.

Sir,

Adverting to G.O.No.A.F.1494-6/P & S.16-42-2, dated 2-9-42, sanctioning with effect from 1-7-1942, the enhancement of the basic rates for the various items of printing sanctioned in G.O.No.A.F.8492-3/P & S.67-38-27, dated 27-5-1941, by certain specified percentages, I have the honour to state that the further enhancement of the rates proposed below is found necessary on account of the higher wages to be paid due to the increase in the cost of living and mounting up of the cost of printing materials owing to the conditions created by the continuation of the war and to request that the sanction of Government may kindly be accorded to apply the enhanced rates from 1st January 1944.

	Enhancement proposed over the basic rates sanctioned in G.O.No.A.F.8492-3/P & S.67-38-27, dated 27-5-1941.
1. Composing charges (Schedules I and II.)	20 %
2. Printing charges (Schedule III.)	50 %
3. Binding charges:-	
a) Schedule IV, items 1,2,3,4,5, 6,7,12 and 13.	50 %
b) Schedule V, items 1,2,3,4,9 and 10.	50 %
c) Schedule VI, items 12, 13 and 14.	50 %
i) for the remaining items of schedules IV, V and VI, the increase of 20 % over the basic rates, sanctioned in G.O.No. A.F.1494-6/P & S.16-42-2, dated 2-9-42 may continue.	

P.T.O.

As regards the rate for paper, the maximum ra
ixed by Government from time to time is being fol 1
s per G.O.No.A.F.4873-4948/P & S/98-41-5, dated
3-3-42. But as the varieties of paper in use ar
umerous and as the maximum rate for all kinds of
aper has not been fixed by Government, difficulty is
eing experienced as to the rate to be applied in
ases where varieties of paper for which the maximum
ate has not been fixed by Government have been used.
o overcome this difficulty arrangements have been
ade for the rate list of different kinds of paper and
tationery articles prepared periodically in the
overnment Stationery Depot as per rule 57 of the
anual of the Govt. Stationery Depot being made availble to both the Government Presses as and when they
re prepared and the rates furnished in these rate-
ists being followed both for the valuation of Govt.
rinting work got done at private Presses and the works
f paying departments executed at the Govt. Presses.
his method is proposed to be followed as it is a
orkable one and as the rate list prepared by Govexument
tationery Depot which will be in touch with the prevail
ng market conditions, can be expected to approximate
o the current rates.

I, therefore, request that approval of Government may kindly be accorded to the above method being followed in evaluating the cost of paper, so long as the present unsettled market conditions prevail. Orders of Government in the matter may kindly be arranged to be communicated early.

I have the honour to be,
Sir,
Your most obedient servant.

Superintendent.
